## BEITBRIDGE BORDER ACCESS Toll Fee Update

Dear Esteemed Customers,

We hope this message finds you well.

We wish to inform you of upcoming adjustments to our toll fees.

Please note that the increase reflected in **January 2026** is a result of the VAT rate adjustment implemented nationwide. The tariffs effective from **1 February 2026** reflect Zimborders' own annual price adjustments.

In recognition of our valued relationship, we are pleased to confirm that there will once again be no increase for non-commercial vehicles, including motorcycles and light vehicles. Zimborders will continue to absorb these costs to cushion the indicated classes of motorists.

To keep overall adjustments minimal, increases from February have been limited solely to other commercial vehicle categories. A modest increase will apply to minibuses, light goods vehicles, coaches, heavy vehicles, goods vehicles, abnormal vehicles, and parking bays.

Details regarding the specific toll fee adjustments are available on our website at [www.zimborders.com](http://www.zimborders.com). We sincerely appreciate your continued support and partnership as we work to further enhance operational efficiency.

Should you have any questions or require further information regarding these changes, please do not hesitate to contact our dedicated customer service team at [info@zimborders.com](mailto:info@zimborders.com) or +27(0)72-533-7393.

We thank you for your understanding and ongoing support. We look forward to serving you more effectively in the future.

Warm regards,  
Zimborders
